

ACTIVE TOUCH 126

A great thermal picking glove that is Touchscreen compatible

Grip

Silicone grips on the palm of the hand provide great grip and increases the longevity of the glove.

Touchscreen

Touchscreen patches on three of the fingers enables wearers to use touchscreen devices without taking the glove off.

Warmth & Breathability

Using extremely warm and comfortable branded performance insulation from Clo Insulation to provide optimum warmth, alongside touchscreen fingertips for use with up to date technology.

Comfortable Fit

Derived from a snowboard glove design, this sports inspired glove will keep your hands extremely comfortable.

Sizes: **XS - XL** | Order Code: **FG126** | Qty: **Pack (5) Box (120)**

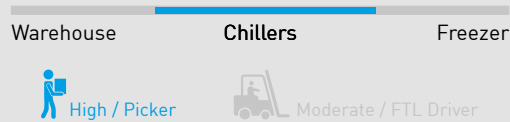

Velcro adjustable cuff • High-visibility areas

Typical Application

The ultimate choice of glove when Touchscreen compatibility, grip and warmth is required in chilled environments.
